Second Activity: Taking part in international Gun Destruction Day -6 July of every year.

Providing education about the Consequences of Illegal Guns in the Communities in MUTIMBUZI Commune

In order to contribute to make our world better, RECOVI organized campaigns in war affected areas in the Bujumbura Province. The aim was to contribute effectively in fighting against gun violence. In those campaigns government officials both from Burundi and the Democratic Republic of the Congo, as well as the community members joined their efforts with us. The slogan day of RECOVI was “Say No to Gun Violence!”

Third Activity: 16 Days of Activism Against Gender-Based Violence Campaign

RECOVI brought its contribution in organizing campaign against issues related to violence against women . During that campaign, we explained to communities how it affects women across her different types of work—both in the formal and informal dearlly life sectors. The work has been well welcomed by women and girls.

Fourth Activity: Environmental Protection

On November 3 of 2018, in collaboration with ODEDU (Objective for Sustainable Development Burundi), RECOVI helped to plant trees along a large ravine that had been damaged by erosion

Fifth Activity: Leadership Training

On 2 of November 2018, RECOVI carried out training, Workshop and Capacity Building of RECOVI staff. The training focused on the leadership theme: ***"A Leader is known by how many people he serves, and not by how many people serve him."***

Responding in training

RECOVI was chosen from many associations in Burundi to participate in a training workshop with the theme: **"Design and Management of Development Projects"** organized by the international NGO GLOBE GREEN. After two days of training, RECOVI Program Coordinator KWIZERA Samuel received a certificate.

Sixth Activity: Promotion of entrepreneurial initiatives among the unemployed

From the starting of 2018, RECOVI is working in the Maramvya zone and Kanyosha to raise awareness in the households of this locality in loan and savings credit groups. This action is part of helping the population to fight against poverty and unemployment. As results, members of the Community Savings and Internal Credit (CECI) can provide for their needs and those of their family.

Seventh Activity: Distribution of school materials

RECOVI distributed school materials to 70 child orphans in the Kiganda Commune of Muramvya Province in the presence of government officials and the security chief of Kiganda commune.

Eighth Activity : Social Support for Orphans in Bubanza Province

Bubanza is a war-affected province of Burundi in which many children have been left orphaned, traumatized, and homeless. Many don't have hope for their future. RECOVI is assisting 80 children orphans in Bubanza. RECOVI still has convictions that every child has the right to grow up free from fear and from violence to enjoy his full potential in life.

Nineth Activity: International Day of Peace

September 21 -201, at 70th Anniversary of the Universal Declaration of Human Rights. To mark that Day, RECOVI heeded this call and placed particular focus on the Article 3 of the declaration which states : “everyone has the right to life, liberty, and security of person”. RECOVI noted that gun violence undermines these rights. Furthermore, RECOVI used this important occasion to highlight Sustainable Development Goal 16.4, which seeks to significantly reduce illicit arms flows by 2030.

New year End Celebration

During 2018,800 people including children orphans and young unemployed received training on savings and credit. This action is apart of helping the population to fight against poverty and unemployment. As a result, members of community savings and internal Credit (CECI) can provide for their needs and those of their families. RECOVI launched an end-of-the-year celebration of this achievement and distributed certificates of encouragement to honor their courage and dedication to the association
